JOHN GALT LIVES!

If you are an admirer of the works of Ayn Rand and would like to learn more about her philosophy, consider joining us at our audio-lecture events here in Dallas, TX.

The Culture of Reason Center is a resource and study center for students of Objectivism: The Philosophy of Ayn Rand.

Reality, reason and truth are our fundamental guiding principles.

“When I disagree with a rational man, I let reality be our final arbiter; if I am right, he will learn; if I am wrong, I will; one of us will win, but both will profit.” Ayn Rand, Atlas Shrugged
